3. DESCRIPTION OF SERVICE.

(a) The Registry provides an electronic tracking system to create, certify, transfer, track, manage, and retire renewable energy credits, including (i) Michigan Renewable Energy Credits, (ii) Advanced Cleaner Energy Credits, (iii) Michigan Incentive Renewable Energy Credits and (iv) when implemented by the State of Michigan, Energy Optimization Credits (collectively, “Credits”). If its registration is accepted by APX, Account Holder will have an Account in the Registry in which it can hold Credits. Account Holder will have the option to import renewable energy credits from, and export Credits to, other registries. As further described in the Operating Procedures, the data comprising the Registry include, but are not limited to:

(i) generation information from Balancing Authority settlement data polled from a Revenue-Quality Meter provided to APX by a Qualified Reporting Entity;

(ii) self-reported generation information;

(iii) verified energy efficiency data provided to APX; and

(iv) static information provided by Account Holder, its related Users or other participants in the Registry and their related Users (collectively, the “Registry Participants”) such as fuel source and location.

(b) The Registry is an assembly of data regarding renewable energy and energy efficiency projects (“Projects”) and serves only for informational purposes. Any issues or disputes that may arise between the Account Holder, other Registry Participants and third parties from the use of the Registry or the data contained therein (including, without limitation, in connection with the validity of Project data, with the purchase and sale of Credits or whether an ownership interest, Beneficial Ownership Rights, security interest or other proprietary interest is created in any Credit) shall be addressed between the Account Holder and such Registry Participant or third party. Neither the Registry nor APX will address any such issues and neither shall have any liability with respect to any such issues. APX reserves the right to dispose of any disputed Credit by interpleader or other suitable action in the event of controversy and to deposit any Credits or other items subject of the interpleader action with the relevant court or arbitral panel.

(c) APX reserves the further right, in its sole discretion, to modify, augment, segment, reformat, reconfigure or otherwise alter at any time the content or methods of transmission of the Registry, the Operative Documents or these Terms of Use and create new types or versions of the Registry, the Operative Documents or these Terms of Use. APX shall not be required to comply with any provision of any Operative Document to the extent that APX determines in its reasonable discretion, after consultation with and approval by SOM, that such compliance would have a material adverse effect on the Registry; provided that APX shall report any such non-compliance to Account Holders within thirty (30) days after such non-compliance first occurs. APX shall provide Account Holder with at least seven (7) days’ prior notice of material changes to the Registry or these Terms of Use, and such changes shall be effective upon the date set forth in the notice, which may be given by any means including, without limitation, posting on the Registry Site, or by electronic or conventional mail. All other changes shall be effective upon

their being posted on the Registry Site. Any use of the Registry by Account Holder after a change has gone into effect shall be deemed to constitute acceptance of such change.

4. AUTHORIZED USER

(a) The rights and obligations of these Terms of Use shall run to the named Parties and their successors in interest and authorized assigns. Account Holder shall ensure that any of its owners, trustees, partners, members, officers, directors, employees, agents appointed as Account Holder's agent ("Agents") and/or any other agents to whom it has provided access to the Registry (collectively, the "Representatives") agree to comply with the Operative Documents and these Terms of Use, and Account Holder agrees to take affirmative responsibility for its Representatives' compliance and to be bound by the Operative Documents and these Terms of Use on behalf of its Representatives.

(b) Account Holder shall execute and return to APX a Declaration of Agency ("Declaration") for any third-party agent it desires to hire and/or contract with to access the Registry on its behalf. A form of Declaration, including the level of access to be granted, will be available on the Registry Site. Account Holder understands and agrees that only one entity may be granted access to an Account, and that accordingly if Account Holder grants Account access to an Agent, Account Holder shall not have access to that Account unless and until Account Holder revokes the applicable Declaration of Agency.

(c) Account Holder acknowledges and agrees that the rights and licenses provided under these Terms of Use and the Operative Documents are solely for the benefit of Account Holder and are to be exercised only in connection with Account Holder's and its Representatives', if any, use of the Registry. Without limiting the generality of the foregoing, except as set forth in this Section 4 and Section 19, Account Holder may not transfer or sublicense its rights, licenses or Account, or any portion thereof, to any third party.

5. OWNERSHIP AND USE OF DATA AND THE REGISTRY.

(a) Account Holder acknowledges that (i) SOM is, and shall remain, the sole owner of all data comprising the Registry and (ii) APX is, and shall remain, the sole owner of the Registry operating system, including any components, modifications, adaptations and copies thereof. The rights granted to Account Holder are solely defined by these Terms of Use and the Operative Documents as in effect from time to time and include, but are not limited to, permission to use the Registry as set forth herein and therein. Account Holder's rights under these Terms of Use do not include a transfer of title or any other ownership interest in the Registry, its content or any part thereof to Account Holder. Account Holder agrees not to contest or challenge APX's or

SOM's ownership of the data comprising the Registry, the Registry, the Software and associated intellectual property rights and not to take any action that would infringe, misappropriate, constitute unfair competition with respect to, or otherwise violate APX's or SOM's rights in the data comprising the Registry, the Registry, the Software or associated intellectual property rights.

(b) Except as otherwise provided in the Operating Procedures and Section 14(d) hereof, Account Holder acknowledges that once Account Holder transmits data to the Registry, such data becomes the property of SOM and, except in accordance with APX's normal operating procedures, cannot and will not be deleted, removed, or otherwise expunged or segregated, including in the event Account Holder terminates its use of the Registry or any Account or Sub-account in the Registry or is terminated pursuant to Section 10 hereof.

(c) Account Holder acknowledges that the data transmitted by the Registry is derived from proprietary and public third-party sources, including but not limited to data from other Registry Participants, Balancing Authorities and Qualified Reporting Entities. Account Holder may retire Credits on behalf of one or more third parties (though not for purposes of such third party's compliance with PA 295), provided that any such retirement may be effected only in a specialized type of subaccount, referred to herein as a "Group Retirement Subaccount," and that Account Holder shall comply with the following requirements applicable to such subaccounts:

(i) All legal title to and all Beneficial Ownership Rights in any Credit retired in a Group Retirement Subaccount must be held by one or more individuals or organizations (collectively, a "Credit Owner") that have authorized Account Holder in writing to retire such Credit on their behalf and to provide any data or other information relating to such Credit to MIRECS (except to the extent that Account Holder may be deemed to hold or share with the applicable Credit Owner any legal title to or Beneficial Ownership Rights in such Credit).

7. FEES.

Account Holder agrees to pay the fees and costs, when due, that APX may charge from time to time for the use of the service provided in accordance with these Terms of Use, as set forth in the Fee Schedule located at <http://www.mirecs.org> (collectively referred to herein as the "Fees"). APX may, upon thirty (30) days' notice to Account Holder and in its sole discretion, increase or decrease any or all of the Fees at any time, subject to any provisions of the MIRECS Services Contract providing for approval of the Fees thereunder by the State of Michigan, provided that these Terms of Use are not intended to create any rights of Account Holder or any other party with respect to such provisions. In no event shall any portion of the Fees be refunded to Account Holder upon termination of the Terms of Use or of any Account or Sub-account.

8. PAYMENTS AND TAXES.

Invoices for Fees will be sent electronically and will be posted on a secure page on the Registry Site. If requested, APX will mail a copy of Account Holder's invoices to the address provided at the time of registration, as updated by Account Holder from time-to-time. Account Holder shall pay any Fees charged hereunder by wire transfer of immediately available funds in United States dollars on the date and to the account identified by APX from time to time on the invoice, or if no date is indicated, no later than thirty (30) days from the date of the invoice (the "Due Date"), without offset or reduction of any kind. Taxes, if any, are not included in the Fees and, to the extent that APX is required to pay those Taxes, those Taxes will be added to Account Holder's invoices. If not so added, such Taxes are the exclusive responsibility of Account Holder.

9. LATE PAYMENTS.

If Account Holder fails to pay any Fees, Taxes or other amounts or charges which Account Holder is obligated to pay under the Operative Documents or these Terms of Use when due, then Account Holder shall be responsible to pay interest thereon accruing at a rate of 1½ % per month, or the highest rate permitted by any applicable local, state, national, or international law, statute, regulations, ordinance or other means of establishing legal rights and obligations ("Applicable Law"), whichever is lower, together with any additional costs or expenses incurred by APX in connection with the collection of such overdue amounts. Acceptance of any interest, cost or expenses shall not constitute a waiver of Account Holder's default with respect to such late payment by, nor prevent APX from exercising any other rights or remedies available to APX under the Operative Documents, these Terms of Use or any Applicable Law.

10. TERM AND TERMINATION.

(a) Term. These Terms of Use become operative on the date on which Account Holder indicates on the Registry Site that Account Holder agrees with and accepts the Terms of Use and shall continue in effect until APX or Account Holder terminates access to the Registry pursuant to Section 10(b), (c) or (d) hereof.

At least sixty (60) days notice of said termination of access or cessation of use of the Registry shall be given by the Party terminating the access to, or ceasing the use of, the Registry under this subsection, unless a shorter notice period is required by Applicable Law or the relevant order or decision.

Account Holder agrees to pay a reinstatement fee equal to the Fees which would have been due during the period in which Account Holder's Account(s) were terminated ("Reinstatement Fee"). The Reinstatement Fee shall be due prior to reinstatement of Account Holders' access to the Registry.

(ii) APX shall reinstate an Account Holder's access to the Registry after termination for Account Holder's Default if directed to do so as a result of the outcome of a dispute resolution proceeding under these Terms of Use. Whether payment of a Reinstatement Fee is required in such an instance shall be determined as part of such dispute resolution proceeding.

11. DEFAULT; REMEDIES.

(a) Default. The occurrence of any of the following shall be considered a "Default":

(i) Account Holder fails to abide by the Operative Documents or fails to perform any of its duties or obligations under these Terms of Use, other than those set forth below in Sections 11(a)(ii) through (a)(ix), which default is not cured to the satisfaction of APX in its sole discretion within five (5) days after notice is given to Account Holder specifying such default.

Account Holder or its assets if such receivership has not been vacated or set aside within thirty (30) days thereafter; or, dissolution or other failure to exist of Account Holder if Account Holder is an entity.

(vi) Account Holder falsifies or misrepresents any data or other information input into the Registry by Account Holder or otherwise provides incorrect data or other information to the Registry in contravention of these Terms of Use.

(vii) Account Holder makes any false or inaccurate representations in these Terms of Use.

(viii) Account Holder violates its confidentiality obligations set forth in Section 14.

(ix) Account Holder receives written notice of a violation of the performance of any particular material term or condition of the Operative Documents or these Terms of Use three (3) or more times during any twelve (12) month period, regardless of whether such violations are ultimately cured.

(b) Remedies. Upon the occurrence of any Default, APX shall have the following rights and remedies, in addition to those stated elsewhere in the Operative Documents and these Terms of Use and those allowed by Applicable Law or in equity, any one or more of which may be exercised without further notice to Account Holder:

(i) Account Holder acknowledges that money damages would not adequately compensate APX in the event of a breach by Account Holder of its obligations hereunder and that injunctive relief may be essential for APX to adequately protect itself hereunder. Accordingly, Account Holder agrees that, in addition to any other remedies available to APX, including but not limited to any monetary damages, APX shall be entitled to seek injunctive relief in the event Account Holder is in breach of any covenant or agreement contained herein.

(ii) Upon termination of the use of the Registry, Account Holder shall be obligated to pay to APX all monies due to it, which in the case of a termination as a result of a Default shall include attorneys' fees incurred to enforce APX's rights under the Operative Documents and these Terms of Use, and which in any event shall include any interest and costs and expenses due hereunder.

(iii) Account Holder acknowledges that APX may notify purchasers of any erroneous Credits, suspend Account Holder's account in the Registry, levy an administrative fine or prohibit Account Holder's participation in the Registry.

(c) Nonwaiver of Defaults. The failure or delay of APX in exercising any of their rights or remedies or other provisions of the Operative Documents or these Terms of Use shall not constitute a waiver thereof or affect APX's right thereafter to exercise or enforce such right or remedy or other provision. No waiver of any Default shall be deemed to be a waiver of any other Default. APX's receipt of less than the full amount of Fees, Taxes, Reinstatement Fees or other amounts due shall not be construed to be other than a payment on account then due, nor shall any statement on Account Holder's check or any letter accompanying Account Holder's check be deemed an accord and satisfaction.

12. INTELLECTUAL PROPERTY.

The Michigan Renewable Energy Certification System (MIRECS) name and brand, the Registry and any and all content of the Registry are protected by copyright and/or other intellectual property laws and any unauthorized use of such intellectual property or information or the Registry may violate such laws related to their protection. APX agrees (i) to use and maintain information provided by Account Holder in accordance with the Registry's Privacy Policy and (ii) not to knowingly use or disclose Confidential Information (as defined below) provided by Account Holder except as authorized by Account Holder or these Terms of Use, or when Account Holder requests and authorizes the transfer of Credits to another registry. - (vii) The amount and timing of specific Credit transfers, including transfers from one Account Holder to another and transfers among the sub-accounts of an Account Holder; and

(viii) Those portions of communications between Account Holder and APX regarding the Registry that contain any of the aforementioned information that would be treated as Confidential Information.

Provided, however, that Confidential Information does not include any information which can be established by written documentation: (i) to have been publicly known prior to disclosure of such information by the disclosing Party (the “Disclosing Party”) to the receiving Party (the “Receiving Party”); (ii) to have become publicly known, without fault on the part of the Receiving Party, subsequent to disclosure of such information by the Disclosing Party to the Receiving Party; (iii) to have been received by the Receiving Party at any time from a source, other than the Disclosing Party, rightfully having possession of and the right to publicly disclose such information; (iv) to have been independently developed by employees or agents of the Receiving Party without access to or use of such information disclosed by the Disclosing Party to the Receiving Party; (v) to be common technical information or know-how readily available in literature; (vi) to be required to be disclosed by Applicable Law (such as, without limitation, FOIA), including but not limited to information that must be provided to any governmental entity to confirm compliance with any statute or regulation, administrative proceeding, administrative or court order or discovery, provided that both Parties take such reasonable actions as necessary to ensure that such information is disclosed in as limited a manner possible; (vii) to be already within the knowledge of the Receiving Party at the time of disclosure, which information is not subject to a confidentiality agreement; or (viii) to be information APX is otherwise permitted to disclose under the Operating Procedures.

(c) Confidential Information may be aggregated with other information in the Registry and included in public reports as described more fully in the Operating Procedures, so long as it is sufficiently aggregated such that a third-party reviewer could not determine the portion of such aggregated information that is Confidential Information of a particular Account Holder.

(d) Confidential Information is the sole and exclusive property of the Registry Participant who provided the information to the Registry and shall not be used by Account Holder for any purpose other than the purposes set forth in the Operative Documents and these Terms of Use.

(e) If Account Holder obtains access to data in the Registry that: (i) is not data provided or owned by Account Holder; (ii) is not part of a publicly available Registry report; and (iii) Account Holder is not otherwise authorized to use, then, regardless of whether such data is otherwise considered Confidential Information under these Terms of Use, Account Holder shall:

- (A) immediately notify APX that Account Holder has obtained such access; and
- (B) not disclose, disseminate, copy, or use any such information.

(f) Except as specifically set forth in this Section 14, APX shall have no obligation to protect or maintain the confidentiality of any information provided by Account Holder to APX or to the Registry, and Account Holder expressly consents to the disclosure of any such information that is not Confidential Information hereunder.

(a) The data contained in the Registry has been gathered by APX from sources believed by it to be reliable, including but not limited to Balancing Authorities, Qualified Reporting Entities, Self-Reporting Entities, Registry Participants, Account Holder and Account Holder's Representatives. APX does not warrant that the information in the Registry is correct, complete, current or accurate, nor does APX warrant that the Software will be error-free or bug-free. (b) THE REGISTRY IS PROVIDED "AS IS," AND APX MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THESE TERMS OF USE, THE OPERATIVE DOCUMENTS OR THE ADEQUACY OR PERFORMANCE OF THE REGISTRY, AND APX HEREBY DISCLAIMS TO THE EXTENT PERMITTED BY LAW ANY SUCH WARRANTIES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, TITLE OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTIES ARISING FROM ANY COURSE OF DEALING, USAGE OR TRADE PRACTICE. APX DOES NOT WARRANT THAT THE SERVICES PROVIDED HEREUNDER SHALL BE UNINTERRUPTED, ERROR-FREE, OR COMPLETELY SECURE, OR THAT THE PROVISION OF SUCH SERVICES SHALL ALWAYS BE EXECUTED WITHOUT ERRORS OR OMISSIONS.

(c) APX shall not be responsible for the acts or omissions of any Account Holder or any other party who inputs data into the Registry or from whom data is obtained for inclusion on the Registry.

(d) Account Holder is solely responsible for the protection, security and management of usage and security of its computer network. Neither APX nor SOM shall compensate Account Holder for damages incurred due to violations of the security of Account Holder's computer network, nor shall Account Holder make deductions or set-offs of any kind for Fees resulting therefrom.

16. LIMITATION OF LIABILITY.

ACCOUNT HOLDER ASSUMES FULL RESPONSIBILITY AND RISK OF LOSS RESULTING FROM ITS USE OF THE REGISTRY AND THE REGISTRY SITE. APX'S SOLE LIABILITY FOR THE REGISTRY, SERVICE DISRUPTION, PERFORMANCE OR NONPERFORMANCE BY APX OR IN ANY WAY RELATED TO THESE TERMS OF USE, REGARDLESS OF WHETHER THE CLAIM FOR DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, IS LIMITED, TO THE EXTENT PERMITTED BY LAW, TO AN AGGREGATE AMOUNT EQUAL TO THE GREATER OF (X) THE FEES PAID BY ACCOUNT HOLDER HEREUNDER DURING THE CALENDAR YEAR IMMEDIATELY PRECEDING THE DATE ANY SUCH CLAIM IS OR CLAIMS ARE MADE BY ACCOUNT HOLDER AND (Y) THE FEES PAID BY ACCOUNT HOLDER HEREUNDER DURING THE CALENDAR YEAR IN WHICH ANY SUCH CLAIM IS OR CLAIMS ARE MADE BY ACCOUNT HOLDER. APX SHALL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT

DAMAGES REGARDLESS OF CAUSE, NOR FOR ECONOMIC LOSS, LOSS OF USE, LOSS OF DATA, LOSS OF BUSINESS, PERSONAL INJURIES OR PROPERTY DAMAGES SUSTAINED BY ACCOUNT HOLDER OR ANY THIRD PARTIES, EVEN IF APX HAS BEEN ADVISED BY ACCOUNT HOLDER OR ANY THIRD PARTY OF SUCH DAMAGES. APX DISCLAIMS ANY LIABILITY FOR ERRORS, OMISSIONS OR OTHER INACCURACIES IN ANY PART OF THE REGISTRY, OR THE REPORTS, CREDITS OR OTHER INFORMATION COMPILED OR PRODUCED BY AND FROM OR INPUT INTO THE REGISTRY. TO THE MAXIMUM EXTENT PERMITTED BY LAW, ACCOUNT HOLDER HEREBY RELEASES AND PROTECTS (A) THE APX ENTITIES, (B) SOM, AND (C) EACH OF THE APX ENTITIES' AND SOM'S RESPECTIVE AGENTS, CONTRACTORS, SERVICE PROVIDERS AND VENDORS FROM ANY AND ALL LIABILITY WITH RESPECT TO ANY DAMAGES OR INJURIES INCURRED BY ACCOUNT HOLDER AS RELATES TO THE REGISTRY.

17. LOGINS, PASSWORDS AND REGISTRY IDS.

Account Holder agrees to assume sole responsibility for the security of any logins, passwords and Registry IDs issued to Account Holder and its Users for accessing the Registry. Account Holder agrees to immediately notify APX of any suspected unauthorized use of Account Holder's login(s), password(s), Registry ID(s) or Account or any other suspected breach of security.

18. INDEMNIFICATION.

Account Holder agrees to defend, indemnify and hold harmless the APX Entities, SOM, and each of their respective owners, trustees, partners, members, officers, directors, employees, agents and representatives (each an "Indemnified Party") from and against any violations by Account Holder or its Users of any Applicable Law and against any and all claims (including third-party claims), causes of action, whether in contract, tort or any other legal theory (including strict liability), demands, damages, costs, liabilities, losses and expenses (including reasonable attorneys' fees and court costs) of any nature whatsoever ("Losses") arising out of, resulting from, attributable to or related to the use of the Registry by Account Holder or its Users, or Account Holder's or its Users' violation of any of the Operative Documents or these Terms of Use, including, but not limited to, any Losses arising out of or related to: (a) any inaccuracy, error, or delay in or omission of (i) any data, information, or service, or (ii) the transmission or delivery of any data, information, or service; (b) any interruption of any such data, information, or service (whether or not caused by such Indemnified Party); or (c) any financial, business, commercial or other judgment, decision, act or omission based upon or related to the information or the Registry. Notwithstanding the foregoing, Account Holder shall not defend, indemnify or hold harmless an Indemnified Party from and against any Losses to the extent that the Losses are caused by the conduct of such Indemnified Party which a court of law has determined amounted to gross negligence or willful misconduct.

19. NO ASSIGNMENT, TRANSFER OR ENCUMBRANCE BY ACCOUNT HOLDER.

Neither any Operative Document nor these Terms of Use nor any rights hereunder or thereunder may be assigned, sublicensed, encumbered, pledged, mortgaged or otherwise transferred by Account Holder, in whole or in part, whether voluntary or by operation of law, without the express prior written consent of APX, which consent shall not be unreasonably withheld, conditioned or delayed.

20. RELATIONSHIP OF PARTIES.

Each Party is an independent contractor under these Terms of Use. No Party has the authority to execute documents that purport to bind the others, and nothing in these Terms of Use will be construed to constitute a joint venture, fiduciary relationship, partnership or other joint undertaking.

21. NO THIRD PARTY BENEFICIARIES.

These Terms of Use and the Operative Documents are for the sole and exclusive benefit of Account Holder, the APX Entities and their respective successors and permitted assigns, and except as set forth in Section 18, no third party, including without limitation a Credit Owner, will have any rights under these Terms of Use or the Operative Documents whatsoever.

22. FORCE MAJEURE.

No Party shall be deemed to have breached any provision of these Terms of Use as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, terrorism, energy crises, fires, floods, strikes or other labor disturbances, riots, embargoes, transportation contingencies, fuel shortages, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are beyond the claiming Party's reasonable control and which, by the exercise of due diligence, the claiming Party is unable to overcome or avoid or cause to be avoided; *provided, however*, that no such occurrences shall excuse Account Holder's obligation to pay amounts due hereunder by the applicable due date.

23. SEVERABILITY.

If any part of these Terms of Use is held to be unenforceable or illegal by a court, arbitration panel or governmental administrative agency, such holding shall not affect the validity of the other parts of the Terms of Use, which shall at all times remain in full force and effect.

24. WAIVER.

The waiver of a breach or the failure to require at any time performance of any provision of these Terms of Use will not operate or be interpreted as a waiver of any other or subsequent breach nor in any way affect the ability of any Party to enforce each and every such provision thereafter. The express waiver by any Party of any provision, condition or requirement of these Terms of Use shall not constitute a waiver of any future obligation to comply with such provision, condition or requirement.

(a) These Terms of Use shall be governed exclusively by the federal laws of the United States of America and the laws of the State of Michigan without regard to its rules on conflicts of laws.

(b) In the event of any controversy or claim arising out of or relating to these Terms of Use, or the breach thereof, or any other claim or controversy between the Parties arising out of the Registry (any such claim, a "Dispute"), the Parties shall first attempt in good faith to resolve such Dispute informally. This informal dispute resolution effort may, upon request of either party, include the participation of SOM.

(c) If the informal effort fails to resolve a Dispute, the Parties shall then attempt in good faith to settle the Dispute by mediation administered by the American Arbitration Association (“AAA”) under its Commercial Mediation Procedures then in effect. At least thirty (30) days prior to initiating such mediation, the Party seeking to mediate (“Demanding Party”) shall give the other Party written notice describing the claim and the amount as to which it intends to initiate the action, as well as providing all supporting documentation available to the Demanding Party.

(d) Any Dispute that has not been resolved by mediation as provided herein within forty-five (45) days after initiation of the mediation procedure shall be finally resolved by arbitration administered by the AAA under its Commercial Arbitration Rules and Supplementary Procedures for Online Arbitration then in effect. The arbitrator(s) will have no authority to award punitive damages nor any other damages not measured by a prevailing Party’s actual damages, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of these Terms of Use. Neither any Party nor the arbitrator(s) may disclose the existence or results of any arbitration hereunder without the prior written consent of all Parties.

(e) Each Party shall be responsible for the payment of all of its costs associated with the resolution of said dispute whether in arbitration or before a court of law, including but not limited to any filing fees, arbitrator fees, its attorneys’ fees and other costs incurred in such proceeding, *provided that* if a dispute is initiated in bad faith, as determined by the arbitrator(s), the Party initiating the dispute shall be responsible for all of the other Party’s defense costs, and provided further that APX shall be entitled to payment of its costs and expenses, including without limitation attorneys’ fees, to the extent set forth in Sections 11(b)(ii) and 18.

(f) The Parties agree that neither may bring a claim nor assert a cause of action against the other, in any forum or manner, more than one (1) year after the cause of action accrued, except where the Party could not have reasonably discovered the wrong giving rise to the claim within one (1) year.

27. ENTIRE AGREEMENT.

The Operative Documents, including without limitation the General Terms of Use, and these Terms of Use, including any and all exhibits attached thereto and hereto, represent the entire agreement of the Parties with respect to the subject matter thereof and hereof and supersede any conflicting terms in any other prior or contemporaneous oral or written agreements and any and all other communication.
